### TUITION POLICY

Understanding that it is often takes a period of time before a child acclimates to a new program; there will be an eight week probationary enrollment for all NEW students to the Gersh Academy Program. The educational team will meet at the end of the probationary period to determine the appropriateness of the program for each student's needs. Should it be necessary to terminate enrollment prior to or at the end of the probationary period, the yearly tuition will be prorated. It is also expected that parents adhere to the program procedures (i.e., Parent meetings / commitments as per program guidelines) and lack of participation may be cause for termination of enrollment without refund. **Gersh International PR, LLC** is not responsible for the cost of health care provided to the above named child.

In the event it becomes necessary to take legal action to collect any amount past due under this agreement, the "Parent (s)" agree to pay all costs of collection, including but not limited to, court costs, service of process, reasonable attorney fees and interest.

**I agree to the tuition policy as stated:**
